**Application For Supplier Approval and Re-Approval**

Precision Fabricating & Cleaning Company, Inc. (PFC) assumes the responsibility for the quality of all contract end-items produced under its direction. Since the quality of purchased and sub-contracted items contributes substantially to end-item quality, it is PFC's policy to purchase only from those suppliers who have demonstrated their capability of maintaining adequate quality controls during all phases of the manufacturing cycle.

The purpose of this questionnaire is to obtain data on your company's quality control methods and inspection capabilities. This information will provide a basis for our evaluation of your quality system and facility.

Please complete this application and return it within 10 working days. Return to address or fax number listed above or email completed form to [contractsmanager@precweb.com](mailto:contractsmanager@precweb.com). Any answer that reads "Not Applicable" may delay approval of the supplier's quality system. PFC must have this form on file to retain your company on our approved supplier list.
